

## PHOTOSHOOT SESSION GUIDE

### BOUDOIR SESSION

Date Of Shoot: January 12, 13 & 14

Location: 3904 John Stockbauer Suite 101

We know you have options when it comes to your photography services so we appreciate your business. Here are some instructions and helpful tips for your boudoir session!

**What to wear:** As women, we are beautiful regardless of what size, color or shape we are! There are many options to your "what do I wear" questions that will make you feel sexy! The background and area we will be shooting is a white canvas. White bedding, headboard, curtains, walls and even the floor! Stay light on your colors when deciding on what to wear such as blush, cream, silver, dusty blue, light grey, etc ... It will look clean and simple putting the focus on you! Black & red colors are a Valentine's acceptance!

- ▶ Lingerie
- ▶ Big sweater, high socks.. a cup of coffee. Hair pulled back but easily able to be taken down.
- ▶ Underwear with pearls
- ▶ Your husband / partner's button down shirt (no patterns, just soft light color)

**Make Up:** Make up should be worn a little darker than usual. Especially the eyeshadow

- ▶ If you have a make up artist, give them an idea of what you want. Look and save photos from Pinterest to share with them at least 24 hours prior to your session so they can plan.
- ▶ Please research the recommended artist and find the best fit for you!

**Hair:** When it comes to hair for boudoir styles are endless!

- ▶ Loose curls, hair down
- ▶ Up-do, messy for the big sweater long socks look
- ▶ Straight

**Other Things To Consider:**

- ▶ Please drink plenty of water and be well rested (helps prevent dark circles under your eyes)
- ▶ Please avoid alcohol use 24 hours prior to your session
- ▶ Have your nails painted. Both hands and feet.
- ▶ Wear small pieces of jewelry. Nothing too bulky.

**When you arrive:**

- ▶ Please arrive 5 minutes early. Arriving late will cut into your session time.
- ▶ When you arrive, have a seat in the lobby area until the session prior to yours is complete. We have allowed 15 minutes buffer time in between each client to give you time to change.
