My goal is to document each priceless moment of your wedding day with great focus on the details of the wedding preparation, ceremony, reception and any before and after special customs. Emotions speak louder than words and I strive to capture them in an artistic fashion. I combine photojournalism with formal and traditional photography. I'll tell the story of your wedding day in my photography. During the formal picture times, we will stage lots of fun and artistic poses of bride and groom, wedding party and family members at 1 or different locations of the wedding venue. The rest of the time, I will be looking for opportunities to capture candid moments during the ceremony and reception.
