

## SENIOR PORTRAITS

Thank you for choosing Captured Moments by Christine!

We know you have options when it comes to your photography services so we appreciate your business. Here are some instructions and helpful tips for your session.

### **SENIOR SESSION:**

Seniors are one of my favorite sessions! Each and every one of them are unique in their own ways. We know the schools have a few preferred photographers for the yearbook but use us for your more creative and tailored photoshoot!

- ▶ Senior portraits should be done in the fall / winter / springtime when it's comfortable outside in South Texas.
- ▶ Please drink plenty of water and get plenty of rest the night prior to your session. This will help keep you refreshed, keep dark circles from under your eyes and keep you hydrated.
- ▶ When scheduling our seniors, we get an inside look into their style and personality to select the best location and look for their session.
- ▶ Think about your hobbies, sports, interests and locations to help you tailor your session.
- ▶ Want to include your pets? Horses, dogs etc are welcome! Someone you are comfortable to be around would need to come along with you to help.
- ▶ We are more than happy to travel! Have a place where you met and need to take a road trip? No problem! We love road trips and new locations!

### **WHAT TO WEAR:**

- ▶ We understand each Senior is unique in personality and style. Be yourself! You'll love your photos so much more.
- ▶ No harsh colors!
- ▶ Accessories with hats & scarves!

### **HAIR, MAKE-UP & NAILS:**

- ▶ If hair and make-up are "not your thing" hire a professional HMUA artist! You will be happy you did!
- ▶ Look on sites like [Pinterest.com](https://www.pinterest.com) and search make-up ideas to find the look that suites you best.
- ▶ If you do both hair and make-up, schedule your make-up first, hair last. With updo's and hair that is curled it tends to fall in hot and humid Texas. Have hair schedule about 1 - 1 1/2 hours prior to session depending on the style and the time it will take. Consult with your hair stylist prior to find out about how long it will take. Make-up artists now a days apply make up and set it to stay on your face looking fresh longer.
- ▶ If you will be doing your own make up, make eye make up a tad big darker than usual but use subtle, warm earthy colors.

- ▶ Captured Moments has many friends that are stylists and make-up artists. If you are interested, we would be happy to make a few recommendations.
- ▶ PLEASE have your finger and toe nails both manicured and painted. Keep it soft and simple colors.

**JEWELRY & ACCESSORIES:**

- ▶ Simple and elegant is the advice when selecting jewelry for a portrait. Small pearls, diamonds are ideal.

**OTHER ITEMS TO CONSIDER TO BRING:**

- ▶ A comb or brush and hair-spray.
- ▶ A light face powder to reduce any shine on your face that may build up during your shoot.
- ▶ A towel to damp your face if considering an outdoor session during the hot season.
- ▶ Bottle of water.

**WHAT TO EXPECT DURING & AFTER YOUR SESSION:**

- ▶ After your session, please allow at least 2 weeks (excluding holidays) to receive a link to your private album with all images to view and choose from.
